

Safari 1000M

Features

- ▶ Ultra-durable & lightweight (1.9kg) all-in-one battery powered sound solution
- ▶ 50 Watt Class D amplifier technology
- ▶ Impact resistant polymer enclosure
- ▶ 5.25" full-range speaker for clear, concise audio
- ▶ 1/4" TRS and mini stereo input connectors
- ▶ Mini-stereo output connector for extended operation
- ▶ Flat frequency response between 50Hz and 18kHz
- ▶ Up to 10 hours of operation running at 80% capacity
- ▶ Shoulder strap for easy mobility between venues or when in use
- ▶ Imbedded LED on front cover for illuminating dark areas
- ▶ Integrated alert tone for announcements and public addresses
- ▶ Alarm siren for use in emergency situations
- ▶ Optional weather-proof bag for use in poor weather

Safari 1000M also features:

- ▶ USB recorder to record and playback to and from USB flash drives
- ▶ Advanced wireless microphone system with Auto-Scan technology

Description

The Safari 1000 is Phonic's latest all-in-one, battery-powered sound solution. Powered by advanced class D amplifiers that deliver a commanding 50 Watts, the Safari 1000 can reach crowds of 100+ people. At a lightweight 1.9kg, the Safari 1000 is designed for excellent portability. The Safari's rugged polymer body, rounded corners, and internal bracing system maximize structural strength, allowing the Safari to withstand heavy use. The Safari's electronic circuitry, including the amplifier, battery, and power supply are state-of-the-art. The efficient battery system can operate 10 hours when running at 80% capacity. The onboard line input options include 1/4" TRS and mini-stereo. The Safari 1000M includes Phonic's proven wireless technology for use of any one of our popular wireless microphone kits. In addition to this, the Safari 1000M includes an onboard USB recorder and playback device allowing quality audio to be recorded directly to USB flash drives. So whether you are a street vendor, a musician, a teacher, or a business professional, the rugged, versatile, and powerful Safari 1000 is your ultimate portable system.
